

Subject: Customer Authorization to Use Submitted Tip & Trick

By submitting this form, the Customer agrees that Dassault Systèmes can publish the content submitted on the GEOVIA Blog at <http://blogs.3ds.com/geovia>. For this purpose, the Customer authorizes, and, to the extent applicable, grant the necessary licenses to, 3DS, to publish, represent, reproduce, exhibit, transmit, broadcast, digitize, display, distribute or otherwise use, and/or have published, represented, reproduced, exhibited, transmitted, broadcasted, digitized, displayed, distributed or otherwise used, in any manner, form, or format, on any media whatsoever now or hereinafter created, the Customer communications item listed below.

- Name and logo:** 3DS may refer to Customer as 3DS customer (with Customer's logo);
- Images / Videos:** 3DS may use images and videos provided by Customer which were originally created by Customer and/or for which Customer has all required rights, titles and interests;
- Content of the Tip & Trick:** 3DS may use the content from the Tip & Trick provided by the Customer through the submission of the online form at <http://blogs.3ds.com/geovia/submit-your-tip-trick/>.

3DS shall be free to transmit the approved Communication Items to its distributors, being understood that the approved Communication Items will not be modified.

This Authorization is granted on a worldwide basis and free of charge, for the duration of the copyright, for internal and external communication and/or marketing activities. Should the use of the authorized Communication items become contrary to Customer's interest, Customer will notify 3DS and should the situation not be remedied within thirty (30) days of such notification, Customer may revoke such authorization.
